YV1	ViewPoint YUP	\$35	Per License	ViewPoint YUP one year
YV3	ViewPoint YUP	\$95	Per License	ViewPoint YUP 3 year
YV5	ViewPoint YUP	\$125	Per License	ViewPoint YUP 5 year

Salient Systems Hardware – All hardware pricing below does not include CompleteView Software & Camera Licenses. All hardware comes standard with a keyboard & mouse (part # AEKM).

NOTE: Lead time for all products is 7 – 10 business days with the exception of Next Business Day and 4 Hour warranties which require a 3-4 week lead time.

PowerPod - [Return to Table of Contents](#)

The PowerPod is the smallest form factor in the PowerProtect platform line. Measuring just 4.5” x 4.5” x 2”, it is designed to address space-constrained deployments and can be placed discreetly on a desktop, secured to a video monitor, or secluded in a secure location. The PowerPod is a perfect fit for organizations with multiple, small footprint storefronts, installations where aesthetic considerations are a factor and businesses looking for a cost-effective video management solution.

***Standard reseller discounts do not apply on the PowerPod. Contact your sales representative for pricing information.

Standard Features

- CPU: Intel Celeron
- 4GB Memory

Part #	Product Code	MSRP	Storage	Warranty Type
PNN01T3B	Pod	\$750	1TB	3 Year Basic
PNN02T3B	Pod	\$875	2TB	3 Year Basic

PowerMicro - [Return to Table of Contents](#)

The PowerMicro also measures 4.5” x 4.5” x 2”, and is designed to address space-constrained deployments. This unit weighs just 1.27 lbs. and provides equivalent processing capabilities as the PowerChoice yet is ideal for discreet placement. Includes 3 or 5 years of software updates for CompleteView licenses purchased at time of order.

Standard Features

- CPU: Intel Core i5
- NVR for IP camera support
- OS: Windows 10 IoT
- 1-2TB
- Ultra space saving form factor

Part #	Product Code	MSRP	Storage	Warranty Type
PMN01T3B	PowerMicro	\$1,640	1TB	3 Year Basic

PowerPlus - [Return to Table of Contents](#)

The PowerPlus is a 2U rack mount server with extended storage and redundancy to meet the expectations of high performance video surveillance applications. Providing up to 64 analog direct connect channels, this hybrid NVR supports IP and analog cameras in one 2U rack mount server. The PowerPlus is engineered to provide the reliability and processing power required by mission critical video surveillance applications. Includes 3 or 5 years of software updates for CompleteView licenses purchased at time of order.

*** All PowerProtect systems with Next Business Day and 4 Hour warranties require a 3-4 week production lead time.

Standard Features

- CPU: Dual Intel Xeon
- Provides up to 64 analog direct connect channels
- OS: Windows Server 2016 Standard Embedded
- 32GB RAM
- RAID5 Protected Storage capacity from 4 – 60TB
- Supports IP & Analog cameras in one 2U rack mount server

PowerUltra - [Return to Table of Contents](#)

The PowerUltra is Salient's powerhouse server designed to handle complex video surveillance requirements for highly scalable memory, intensive I/O capacity and extended storage. The PowerUltra is engineered for the toughest video requirements. This 2U rack mount unit has dual redundant hot-plug power supplies, optimized thermal management abilities, lower fan and server power consumption and a locking front bezel to prevent unauthorized access. Engineered for hybrid camera support, the PowerUltra provides support for IP as well as up to 64 directly connected analog cameras. Includes 3 or 5 years of software updates for CompleteView licenses purchased at time of order.

*** All PowerProtect systems with Next Business Day and 4 Hour warranties require a 3-4 week production lead time.

Standard Features

- CPU: Single Intel Xeon
- Provides up to 64 directly connected analog cameras.
- OS: Windows Server 2016 Standard Embedded
- 48GB RAM
- RAID5 Protected Storage capacity from 12–132TB

PowerUltra RAID6 - [Return to Table of Contents](#)

The PowerUltra is Salient's powerhouse server designed to handle complex video surveillance requirements for highly scalable memory, intensive I/O capacity and extended storage. The PowerUltra is engineered for the toughest video requirements. This 2U rack mount unit has dual redundant hot-plug power supplies, optimized thermal management abilities, lower fan and server power consumption and a locking front bezel to prevent unauthorized access. Engineered for hybrid camera support, the PowerUltra provides support for IP as well as up to 64 directly connected analog cameras. Includes 3 or 5 years of software updates for CompleteView licenses purchased at time of order.

*** All PowerProtect systems with Next Business Day and 4 Hour warranties require a 3-4 week production lead time.

Standard Features

- CPU: Single Intel Xeon
- Provides up to 64 directly connected analog cameras.
- OS: Windows Server 2016 Standard Embedded
- 48GB RAM
- RAID6 Protected Storage capacity from 12 –120TB

PowerPlatinum - [Return to Table of Contents](#)

The PowerPlatinum is Salient's most powerful server, designed to handle complex video surveillance demands, with highly scalable and extended storage options, intensive I/O throughput, and robust processing capability. The PowerPlatinum is specifically engineered for the most demanding video surveillance and processing requirements. This 2U rack mount unit has dual redundant hot-plug power supplies, optimized thermal management abilities, lower fan and server power consumption, and a locking front bezel to prevent unauthorized access. Engineered for digital cameras, the PowerPlatinum provides an optimal solution for the most intensive IP surveillance infrastructure requirements. Includes 3 or 5 years of software updates for CompleteView licenses purchased at time of order.

*** All PowerProtect systems with Next Business Day and 4 Hour warranties require a 3-4 week production lead time.

Standard Features

- CPU: Single Intel Xeon
- NVR for IP camera support
- OS: Windows Server 2016 Standard Embedded
- 96GB RAM
- RAID5 Protected Storage capacity from 60 – 192TB

Integrated Server

RED3 IS - Integrated Server - [Return to Table of Contents](#)

Salient Systems' RED3 Integrated Server is your software, server and switch all-in-one unit. The built-in PoE switch features 8, 16 or 24 ports of PoE or PoE+ connectivity. RED3 IS includes 8, 16 or 24 channels of CompleteView Pro VMS fully licensed software, a 3-year warranty and 3 years of CompleteView software updates.

*To trade up from one edition of CompleteView to another, see the Trade Up Programs on page 6.

Standard Features for RED3 8Port

- CPU: Intel Celeron
- Provides Server, PoE Switch and Video Client
- OS: Windows 10 IoT
- HDMI and VGA ports
- Desktop
- RAM: 4GB
- POE Switch: 8Port
- 8 CompleteView Pro VMS licenses*
- Storage capacity 2-12TB
- OS 120GB SSD

Part #	Product Code	MSRP	Storage	Warranty Type

eXtreme8 – Rugged Integrated Server - [Return to Table of Contents](#)

eXtreme8 is the next generation of integrated server, switch and software platform from Salient Systems. Designed in a compact form factor, the eXtreme8 IS unit is ruggedized to withstand temperature conditions from -40°C to 60°C (-40°F to 140°F) without the need for additional heating or air conditioning. Dusty, dirty and damp environments that receive little-to-no facilities maintenance are the perfect settings for this fanless integrated server.

Configured with an internal Class 3 200W PoE switch, the eXtreme8 is powered by an Intel Core i5 processor, 8GB memory and 1TB, 2TB, or 4TB SSD storage options.

Out of the box, hardened and fully operational, the unit ships with Windows 10 IOT OS, 8 channels of CompleteView VMS Pro, keyboard, mouse, DIN rail mount and Salient Systems *Start-Up Wizard* for easy camera configuration and installation.

*To trade up from one edition of CompleteView to another, see the Trade Up Programs on page 6.

Standard Features

Bundled Products - [Return to Table of Contents](#)

Salient’s fully configured server and software solutions in easy-to-order bundles come with CompleteView One or Pro software and are currently available on the PowerMicro, PowerChoice, PowerChoice LP and the PowerPro NVR’s. Channel counts range from 8, 16, or 32 licenses and include software updates and technical support for the term of the warranty (3 or 5 year basic warranty available). Bundled solutions are available in IP, Analog, or hybrid configurations. Simple pricing and ordering make Salient’s bundled solutions’ the industry’s most efficient way to buy, install, and service video installations.

PowerDAS - [Return to Table of Contents](#) are used to expand the storage capacity of a standard system NVR and come in a 2U form factor. External RAID card installed in PowerPlus, PowerUltra and PowerPlatinum NVRs for connect up to two PowerDAS (Direct Attached Storage) expansion units. Standard lead time is 3 – 4 weeks for all DAS products.

¹PowerDAS orders require the ACD or ACDB.

GuardStation

GuardStation - [Return to Table of Contents](#)

The Quad monitor GuardStation client workstation provides top performance for demanding security control room deployments. Designed for CompleteView, the GuardStation client system provides the tools and capability to view live video, perform investigations and export evidence to a variety of media. Pre-loaded with CompleteView client software including ViewPoint and supporting quad monitor configurations in a desktop form factor, the GuardStation offers flexibility and high performance in one location.

Standard Features

- Intel Core i3 CPU & 4GB RAM
- Windows 10 IOT & 1TB Storage
- Video Output Options: DVI, HDMI
- NVIDIA Quadro with Quad Monitor Support (4 total monitors supported)
- ViewPoint screen monitoring software
- Mid Tower Chassis
- DVD R Drive

Salient Domestic & International Shipment Policy - [Return to Table of Contents](#)

Domestic Shipment Policy

UPS is Salient Systems' preferred shipping provider. In the event that a shipping method is *not* listed on a purchase order it will be shipped according to this standard shipping policy. This policy states that all orders shipping to an address within the state of Texas will ship *UPS Ground* and all orders, unless otherwise directed or noted on the purchase order, shipping to an address outside the state of Texas will ship *UPS Blue(2nd Day Air)*. Furthermore all freight costs are the Reseller's responsibility. Salient will bill for these costs on the invoice associated with the purchase order.

Resellers can request the following methods of shipment on purchase orders:

- Specific shipment method for their purchase order (*UPS Ground, UPS Blue, UPS Red, UPS Orange, etc.*).
- Third Party Shipments using a UPS or Fed-Ex Account.
- UPS Freight and LTL for multiple system orders (Contact orders@salientsys.com for details).

In addition, a preferred method of shipment for all orders can be used. Salient will require notification of these preferences.

Our normal lead time is 7-10 business days from confirmation of receipt of order from Salient.

Domestic Expedite Policy and Fees*

In an effort to meet the needs and requests of our customers, Salient offers expediting of orders.

Expedite requests are to be presented to the Manufacturing Program Manager (MPM) prior to commitment.

- Depending on material availability and currently staged orders, Salient will commit to ship the requested server on ***third day from receipt of order*** if the order is approved for expediting.
- Order must be received prior to noon or time clock will start the following business day.
- The Expedite fee applies to each server requested to be expedited.
- Client must elect and pay for shipping method (next day, second day), which must be indicated on the Purchase Order.
- \$250 per server: Guaranteed shipment three days after receipt of order
- \$500 per server: Guaranteed shipment two days after receipt of order
- *\$750 per server: Guaranteed shipment one day after receipt of order

*Contingent on availability of inventory

*Expedite option not available on International Shipments

INTERNATIONAL SHIPMENT POLICY

UPS is Salient Systems' preferred shipping provider. Orders will be shipped according to this standard shipping policy.

- **All international orders ship under DAP Destination terms.** Accordingly, all duty, tax, brokerage fees, etc. will be the Reseller's direct responsibility.
- **All transportation costs are also the Reseller's responsibility.** Salient will bill the Reseller for transportation costs on the invoice associated with the purchase order.

Our normal estimated lead time is 7-10 business days from confirmation of receipt of order from Salient.

Insurance and Claims - [Return to Table of Contents](#)

All shipments from Salient are insured.

Any damage claims of packages shipped utilizing Salient's shipper, are to be handled by Salient.

- *Please notify shipper of any damages to package, upon receipt.*
- *Neglecting to inform shipper of damages can negatively affect the claim process.*
- *Please contact Salient at 512-617-4800 to file a freight claim or email freightclaims@salientsys.com*
- *Pictures and a detailed description of the damages are required to file a claim.*

Any damage claims of packages shipped using 3rd Party shipping account, are to be handled by the owner of the shipping account.

Salient Systems will not be held responsible for any loss or damage to the product during shipment using a 3rd Party shipping account. All claims are to be filed by the owner of the shipping account.

Return for Credit - [Return to Table of Contents](#)

Hardware products may be returned for credit, excluding freight charges where applicable, within 30 days of the original invoice date. The returned items must be in brand new condition with all original packaging and materials. Salient Systems will charge a restocking fee of 15% of the original purchase price for any returned items. Any missing original packaging or material or damages will be charged at market rate.

We do not accept return for credit on software items.

Cancellation Policy - [Return to Table of Contents](#)

Orders cancelled more than 3 days after receipt of the purchase order are subject to a cancellation fee of 15% of the original purchase price.
